

**A CHILD DIES FROM A WATER-RELATED DISEASE EVERY SECOND**

TOGETHER, WE CAN CHANGE THAT

Visit us at [WHOlives.org](http://WHOlives.org) and help us bring clean, sustainable water to Africa.

A young girl can go to school when she doesn't have to spend the day fetching dirty water. Help us offer a brighter future to children in Africa with the Village Drill. Go to [WHOlives.org](http://WHOlives.org) to learn more.
