

This exclusive expedition will take place in Kenya, on Africa's beautiful eastern coast. Expect an enriching and rewarding experience as you witness life in rural communities outside of Mombasa. Participants, or "WHOLives Ambassadors" will see first-hand the impact of our patented Village Drill, while also engaging in cultural activities alongside local families.

We keep groups relatively small for a more personal experience, so reserve your spot by sending a \$200 deposit/person (which will be applied to your expedition fee). Send your check to: WHOLives August 2019 Expedition, 10102 Copper King Lane, South Jordan, UT 84095

Expedition Fee*: \$2490.00 per person (airfare not included)

Fee includes overnight accommodations, ground transportation, trip leadership, activities as listed, and meals indicated

Please note that dates and location are subject to change

Aug 2-3: Friday - Saturday USA to Mombasa, Kenya

- WHOLives Ambassador's should depart from United States on Friday, arriving into Nairobi, Kenya early enough Saturday evening to catch a flight into Mombasa late Saturday night. Keep in mind it could take 1.5 to 2 hours to disembark in Nairobi, clear customs and walk to the domestic terminal to fly to Mombasa (Moi International Airport (MBA) that evening.
- Arrival in Mombasa. WHOLives Representatives will provide late-night group transportation to the rural communities outside of Mombasa for several days of wonder and cultural learning.

Aug 4-7: Sunday - Wednesday evening Rural Village

- Various cultural activities and projects will be scheduled this week. WHOLives Ambassadors will visit local water sources and learn about the lifelong effect of clean water wells in Africa, even witnessing the impact of the Village Drill firsthand.
- Participants will also participate in local hikes, interactive games, and academic activities in rural grade schools. WHOLives Ambassadors will work hand-in-hand

with village families in gathering wood, collecting water, and learning about local customs in the home.

- Delicious hand-cooked meals will be provided, (unless traveling) combining ethnic cuisine and native ingredients. Thoughtful group discussions will take place each night to encourage intercultural exchanges, recognizing new global perspectives and the powerful qualities of local Kenyan families.

Aug 8: Wednesday - Thursday Rural Village to Mombasa

- WHOlives representatives will provide group transportation back to Mombasa for overnight accommodations in a local beachfront hotel (shared double rooms).
- Mombasa was a major trading center in the ancient Arab world with strong Muslim roots still prominent in modern Swahili culture. Vasco da Gama was the first European explorer to discover Mombasa in 1498, now a leading travel destination in East Africa. WHOlives volunteers will visit Fort Jesus, built in 1596 under the order of King Philip I of Portugal, before browsing handcrafted wood sculptures at Akamba Carvers market.
- Relax at the beach and enjoy hotel amenities. Group dinner in the evening.

Aug 9: Friday Mombasa

- Overnight Tsavo East safari will begin in the early morning hours (5:30am) and highlight the majestic wildlife of Kenya, including a search for the 'Big Five' game animals: the lion, leopard, rhinoceros, elephant and buffalo. A farewell dinner and group discussion in the evening will conclude the expedition.

Aug 10: Saturday Mombasa, Kenya to USA

- After breakfast, we will take about a 4-hr. safari out of the park and travel to Nairobi for evening flight departures.

**a portion of each expedition fee helps fund our life-changing water projects around the world*
