

2022 YEAR IN REVIEW

NEW COUNTRIES ADDED

In 2022, 13 Village Drills were delivered to 10 countries. New locations this year included Togo and Guinea Bissau. New Village Drill teams are working hard to bring clean water to those in need.

IMPACT MISSIONS WERE A HIT

We welcomed 60 people across our three impact missions this year. Volunteers took turns working, learning, sharing and playing.

NUMBER OF WELLS SINCE 2010

11,000+

Now, 11,000,000+ people have access to clean water. That's equivalent to the entire population of Cuba!

IN 2022

Our partner organizations completed more than 1,000 wells, bringing clean water to more than 1,000,000 people.

OUR RESCUE EFFORTS IN KENYA

We set up mini rescue centers near police stations, placed ads, held rallies, and received commitments from village elders to stop FGM.
